

Be a Star for Madera's Kids!

The Madera Elementary Foundation (MEF) needs YOUR help to raise \$100k in the first 100 days of school to fund enrichment programs for our kids. **We need families to contribute at least \$375/student to fund music & garden programs, reading support, library books, assemblies, & class supplies.** Many employers offer matching funds, doubling your contribution! Grandparents & friends can also contribute in your child's name for a meaningful holiday or birthday gift.
