

2020 Madera Science Fair

All students and families in grades K-6 are encouraged to participate in the Science Fair. **Select 6th grade projects will continue onto the WCCUSD Fair with opportunities to continue onto the Golden Gate Stem Fair.**

Projects Due: Wednesday, January 22nd, 8:15 am

Evening Event: Tuesday, January 28th, 6:30-8:00pm

Grades K–3 may enter a collection, scientific explanation display, observation, a science model, or a problem solving experiment. **K-3 Students choosing to enter a problem solving experiment are encouraged to refer the Grade 4-6 instruction packet.** Students will receive a “Young Scientist” ribbon and a certificate of participation.

Grades 4–6 enter a problem solving experiment that utilizes the scientific method. All projects will be judged by scientists in our community. Students will receive a place ribbon and a certificate of participation.
